

SUTTO

MERLOT

Sutto Family has always shown a particular devotion towards this vineyard: the current vintage Merlot finds a wonderful expression both young and after a natural aging, bringing great pleasure to our tables.

Colour *Intense spinel red.*

Nose *Pronounced notes of ripe red fruit pleasantly combined to subtle spicy hints of black pepper and cinnamon.*

Taste *Typically intense, balanced and satisfying, with refined tannins and a pleasant aftertaste of spices.*

Method of production Vinified in red with a medium-long maceration and periodic push-downs, which allow a nice extraction of colour and polyphenols from the skins, fostering as well the oxygenation of the yeasts and making them more productive. The complexity of the wine derives from a partial aging in mid-sized casks.

Alcohol 13%.
